

# Photo & Editing Special Interest Group 1 2026

Adrian Locke  
March 2026

- Objective of the Group is for members to meet socially and find interesting locations to take photos and learn new photo editing techniques.
- Each members takes a turn in selecting & organizing the monthly photo shoot locations.
- The Group Leader selects a village for each month and the members visit and produce a postcard.
- Competitions with winner selected by event organiser
- Project Tree.
- A Group meetings/meals are organized as and when required in a local pub during the year.
- Members post & share images on a private Facebook Page.
- The group currently has 13 members .
